Information about this Service

Additional Data

Once you have used all your included data, you can purchase a 2GB data top-up for \$10 each (maximum of 5 Data Top Ups). Data top-ups can be added at any time during a billing cycle. Any remaining data on your previous data top-up will be forfeited once you purchase the next one. Any unused data from your data top up by the end of the bill cycle will be carried forward into your data bank.

International Roaming

International roaming is available in select countries. To see which countries are eligible please go to [International Roaming and Travel Packs](#). A daily roaming pack gives you unlimited calls and texts plus 200MB of data for \$10 per day. This pack is automatically activated when you arrive in the eligible country. It will expire 24 hours after activation and will be added every 24 hours if you continue to use our services overseas. To activate this service, please contact our Customer Service Team.

Data Banking

At the end of your monthly billing cycle, any unused data goes into your data bank for use in the next monthly billing cycle. The maximum amount of data that can be banked is 500GB. Any unused data from your data top up will be carried forward into your data bank. Your banked data will remain if you upgrade to a higher-cost monthly plan. Any data in your data bank is forfeited if your mobile plan is downgraded to a lower-cost monthly plan. Data Banking is for domestic use only and cannot be used if the service roams outside of Australia.

Offer Limitations

This plan is for use in Australia. International calls, SMS and MMS to a country not listed in the table above will be charged at [PAYG rates](#). Non-standard calls and SMS/MMS (such as directory assistance, time and weather services, Telstra and Optus mobile satellite numbers, video MMS etc.) will be charged at [PAYG rates](#). Calls to some SENSIS numbers (1234, 12455 and 12456), International Directory Assistance (1225) and premium

numbers (i.e. 1900) are not supported.

Restrictions (or Qualifications)

The mobile product of Pennytel Australia Pty Ltd provides a 4G coverage footprint of 97.9% and a combined 4G and 3G coverage footprint of more than 98.8% of the Australian population covering 1.62 million square kilometres. Use our coverage map on pennytel.com.au/coverage to check if the service is available at the location where you would usually use the service.

Offer Conditions

To use this service, you must activate your SIM card within 2 months of ordering. Any unused monthly inclusions expire each month and cannot be carried forward. You must comply with our [Acceptable Use Policy](#) to use this service.

Promotions and Special Offers

This summary does not include any special offers or promotions that may be offered on these plans, such as discounts or bonus data.

Service Provider

Pennytel Australia Pty Ltd (ABN 12 166 566 632) acts as a reseller and uses part of the 4G and 3G mobile network and capabilities of Telstra Corporation Limited (ABN 33 051 775 556) to provide our mobile services. Despite this, Pennytel is responsible for providing the service to you and is not affiliated with or related to the principal carrier.

Equipment

To use this service, you will need to bring your own compatible mobile device which must be unlocked and support 3G 850MHz. And, for access to the 4G service, your device must also support both 4G 1800MHz and 4G 700MHz bands.

Changing Your Plan

You can change to a plan of higher or lower value by calling our Support Team. There is no charge to change your plan, however you will not receive a refund for any amounts that you have paid for in advance. We recommend that your nominated plan change date be the last day of the billing cycle to not incur any pro rata debit.

Cancelling your Pennytel Service

If you are taking your mobile number to another provider, you do not need to contact Pennytel as the service will stop billing with Pennytel once your number is active with your new provider.

If you no longer need your mobile service, you must contact Pennytel to disconnect your service. You will continue to be billed for the service until you contact us to cancel your service.

Billing Information

Billing Date, Period, Notice and Amount

You will be billed on the 28th of every month for the full monthly plan fee as per your selected plan. The billing period will be from the 28th of the month up to and including the 27th of the following month. Approximately 3-5 days after the 28th of the month you will receive your bill via the communication method you have nominated – be that via email or regular paper mail. Please note that if you elect to receive your bill in paper via regular mail a fee of \$2.50 will be applied to your account. You can access your Pennytel account online via our website portal where you can track your usage, see your pre-bill information and nominate your direct debit payment method.

Your service will be automatically renewed each month unless you inform us you wish to cancel your service, or you transfer your number to a new provider. If you cancel or transfer your service to another service provider, you will not receive a refund for any amounts that you have paid.

Service Activation Date and First Bill Charges

Service charges begin from the day you activate your SIM card.

If you activate on days 1-27, your first bill will be pro-rated from the date of connection for the current bill cycle, along with the month in advance. This means your first bill may be higher than your ongoing monthly plan fee. After the first month, your bill will revert to the regular monthly charge for your plan.

Payments

You will pay your monthly recurring charges plus any usage not included in your plan by Credit Card, Direct Debit, BPAY, Australia Post Billpay or Direct Deposit by the due date which is the 15th of each month. Direct debit via bank account do not incur any payment process fees. Other payment methods and associated processing fees can be found on our website: <https://pennytel.com.au/faq/what-payment-methods-do-you-accept/>

Other Information

Access to call and data usage information

Check your call and data usage from your [Pennytel Account](#) or via your mobile handset by dialling *159# and the call button. You will receive SMS notifications when you use 50%, 85% and 100% of your data allowance. These SMS notifications are only a guide and can be up to 48 hours behind real time usage. You will also get an SMS each time a 2GB data top-up is added.
